

NOTICE OF PROJECT PLANNING PUBLIC MEETING

The Pontiac Clinton Relief No. 1 Drain Drainage District will hold a public meeting on the proposed Clean Water State Revolving Fund (CWSRF) Storm System Improvements project for the purpose of receiving comments from interested persons.

The meeting will be held at **2:00 p.m.** on Tuesday, April 25, 2023, virtually and at the Oakland County Water Resources Commissioner's Office (1 Public Works Dr., Waterford, MI.)

The purpose of the proposed project is to make improvements to the existing storm water systems in order to continue to meet the required level of service for the systems.

Project construction will involve upgrades to and rehabilitation of existing stormwater pipes and structures.

Impacts of the proposed project include temporary noise and disruption to the public due to construction of the required improvements, which will be offset by improvements that will reduce the likelihood of system failures.

The estimated cost to users for the proposed project is approximately \$0.16 per household over 20 years. However, the Drain will likely qualify as "overburdened" and may be eligible for additional grant funding and/or principal forgiveness, which would reduce the cost. The Drain will also have the opportunity to reduce the scope of work and potential cost during the design phase and/or defer the project should funding not be awarded.

Copies of the plan detailing the proposed project are available for inspection at the following location: Oakland County Water Resources Commissioner's Office (1 Public Works Dr., Waterford, MI.)

Written comments received before the meeting record is closed on Tuesday, April 25, 2023, will receive responses in the final project planning document. Written comments should be sent to Stephanie Lajdziak at lajdziaks@oakgov.com before TUESDAY, APRIL 25, 2022 at 2:00 P.M.
